

# Buy only the term you need and no more

Life doesn't always fit into neat little five-year increments that are the standard for most term insurance policies. AIG Select-a-Term® from American General Life Insurance Company offers a powerful new way to customize your life insurance plans to anticipate known future events such as retirement, paying off your mortgage or funding your child's college education. Buy only the term you need and no more! Or buy more than one plan to customize your coverage needs.
